Sliding Fee Discount Schedule for Eligible Patients

Based on Household Income and Dependents

Mercy Health Services, Inc. exists to provide healthcare services to everyone. We provide a sliding fee scale program for those persons meeting federal poverty guidelines. Effective February 1, 2026 Mercy sliding fees were adjusted to meet the 2026 Federal Poverty Guidelines. Due to this, the fee for your category may have changed. A front desk associate will provide you with a copy of our sliding fee scale program so you are aware of the fees you may be charged at time of service.
