Opt-in data and consent collected through mass SMS or email distribution will not be shared with any third party.

"If you opt in to receive text messages from Mercy Community Healthcare, we collect your mobile number and messaging preferences and use them only to send the messages you requested. We do not sell, rent or share your mobile number or text messaging consent with third parties or affiliates for their marketing purposes. Information may be shared only with service providers who help us deliver messages. You can opt out at any time by replying STOP."

Terms

- *Program: Mercy Community Healthcare updates about our services, new locations and mobile clinic visits.*
- *Message frequency varies. Message and data rates may apply.*
- *Reply STOP to cancel at any time. Reply HELP for help, or call [Mercy main phone number].*
- *Carriers are not liable for delayed or undelivered messages.*
- *Consent to receive texts is not a con*
